## Village Requests Bids On Water, Sewer Lines

The Antioch Village Board Monday night authorized the advertising of bids for the installation of storm and sanitary sewers and a water line to the new upper grade school and other proposed developments on the west side of the community.

The bids will be opened March 16 on the suggestion of Trustee Vern Barnstable.

The project sites are in the area of Rte. 173, Tiffany Road and Lake Street.

Trustee Barnstable announced that the grade school district has contributed \$35,000 toward the cost of the project which also will be opened to subdividers who are developing property in the west side of the community.

Village Mayor Raymond Toft pointed out that a six inch forced sewer main is being considered on Tiffany Road, but if developers are interested in contributing toward its cost the size could be increased to an eight inch main.

"This will be taking into consideration any expansion and growth in this part of the village said the mayor.

In other developments at the meeting, the trustees authorized the payment of \$12,659.40 to Frank Benes, Antioch contractor, for the construction of the new police station on Main Street.

On the recommendation of Trustee Irv Walsh, the board agreed to withhold \$1000 from the contractor.

Walsh suggested that the vil-

lage accept the new structure within two weeks, and at that time, allow \$500 to be paid to the contractor and withhold the remaining \$500 until all of the other unfinished work is completed in the building.

"I believe the work on the inside of the police station is commendable," Mayor Toft told the contractor. "It is a credit to Antioch."

The village earmarked \$46,320 for the new station, replacing the one on the east side of Main Street. With extras such as sidewalks, the total cost will run about \$47,500, it was reported.

Contractor Benes proposed that the Antioch trustees consider the licensing of tradesmen such as plumbers, carpenters, cementers, etc.

He reported that Arlington Heights and Park Ridge have similar ordinances with Park Ridge charging \$10 and Arlington Heights \$40 for the annual license.

He said the purpose of the ordinance in those two communities was to spell out to the tradesman as to what is expected of him in the performance of his job for a public or private project.

"The idea is to protect the people and the village," said Benes. Benes thought the \$40 fee such as charged by Arlington Heights was too steep, and that a moderate rate be established in Antioch.

Commenting on Benes' proposal, Village Mayor Toft said, "I think it is a very good idea."

The mayor appointed Trustees Robert Wilton and Barnstable to study the suggestion and possibly come up with an ordinance on licensing of the tradesmen.

Trustee Barnstable proposed that the capacity of the lift station on Depot street be increased. "I think we'll be in trouble this spring if we don't do anything toward raising the capacity," said Barnstable.

Barnstable said he had a price from the Standard Power Equipment Co. of Chicago of \$2,294 to do the job, but Mayor Toft asked that he attempt to get another bid and also contact the Chicago company again if there was any change in its price since it submitted it in August 1969.

Volunteer Fire Chief Todd Maplethorpe requested \$100 allowance to attend the Illinois Fire Chiefs' Association meeting April 29 through May 2 at Effingham, Ill.

No action was taken on the proposal after Mayor Toft asked Trustee Richard Burnette to

## County Seeking Road Financing

About twenty-five persons attended a meeting Friday, Jan. 30, in the Lake County administration building to discuss methods of financing a proposed multi-million dollar road building and improvement program.

Robert W. Depke, chairman of the County Board of Supervisors, moderated the conference, attended by members of the Illinois General Assembly from the 31st and 32nd districts, financial and legal consultants to the county, the Illinois Highway Study Commission, county highway department employees and members of the board's highway and finance committees.

## 10th Year for Wilmot Firm

Gander Mountain, Inc., of Wilmet, Wis., celebrated its 10th Anniversary last week with over 100 guests at the Lake Geneva Playboy Club.

The celebration included cocktails, dinner and a show in the penthouse of the club.

Mr. and Mrs. Robert Sturgis, Jr. and Alvin Melka, officers of the firm, hosted the affair.

Guests were employees, business associates, lawyers and others who had, in one way or another, participated in the growth of the business.

Gander Mountain is a mail order business serving the sportsmen. They presently have a new building under construction which is expected to be completed this Spring.

Kenneth E. Welton, acting superintendent of Lake County highways, opened the meeting with a statement in which he said the county hopes to find means of providing its share of the required funds, primarily through motor fuel tax allotments.

Most of the discussion later revolved around the sale of revenue bonds; the limitations under House Bill 445 which allows use of motor fuel tax monies; the current bond market; and the possibility of amended legislation at the state level.

The representative from the highway study commission emphasized the necessity of moving quickly. He pointed out that construction costs are going up approximately 5 percent a year while the price of property for the right of way is appreciating proportionately.

It was decided that invitations be extended to the superintendents of highways from the nine urban counties in Illinois, that is those with a population of 150,000, and members of the highway study commission. At that meeting, it is hoped some specific proposals on legislative amendments will be drafted whereby the urban counties could proceed with highway programs tailored to the present bond market.

The Lake County Forest Preserve District today received a check for \$12,716 in federal matching funds for the purchase of the Garvin addition in the Edward L. Ryerson Conservation Area. The money came through the Housing and Urban Development.

## 2 Report On Study Of School

Several recommendations were received on Thursday, Jan. 29, from two representatives of Northern Illinois University who have conducted a study regarding a new organizational plan for Antioch High School.

The two, Dr. Robert Nelson, chairman of the secondary school administration and Dr. Ralph Belnap, professor of school administration.

They recommended that the superintendent be responsible for the overall total school program and that various departments be grouped into three groups with department chairmen still being retained but under the coordination and supervision of area supervisors.

They also recommended the

## New Hours For Plates Announced

William Brook, president of the State Bank of Antioch, announces that the license plate window will be open from 9 a.m. to 8 p.m. on Friday, Feb. 6 and 13 for customer convenience.

Deadline for displaying plates is midnight, Feb. 15.

Purchasers will receive their plates immediately from the bank, one of several in the state named by Secretary of State Paul Powell as official branches of his office to dispense plates.

## 4-H To Crown King, Queen

This year the Lake County 4-H Junior Leaders Organization is sponsoring a 4-H King and Queen. Their election and one year reign is based on their 4-H activities, achievements and participation in local and county 4-H events.

The King and Queen will represent all Lake County 4-H members. Their most important function will be to officiate and greet guests to the 4-H building at the Lake County Fair. They will also participate in other activities and programs throughout the year, such as helping to make National 4-H Week a success.

Five outstanding 4-H boys and five outstanding girls were selected by the Lake County Assistant Advisers, Dennis Hertz and Barbara Dahl, as being qualified for this honor.

The candidates for Queen are: Linda Fillmore, Warren Wranglers 4-H Club; Alison Hevredes, Sequoit Susies; Mary Kay Nachowicz, Mundelein Elms; Eileen Regner, Volo Busy Bees; and Julie Russell, Wauconda Ag.

The King candidates include Rick Kubetz, Chain O'Lakes; Bill Regner, Volo Ag; John Sage, Happy Hayseeds; Gordon Turnbull, Warren Wranglers; and John White, Millburn Hornets.

At the January JLO business meeting the members heard each candidate tell his qualifications for King or Queen. The group then selected the top 3 boys and 3 girls by secret ballot.

The finalists then presented their talk to the Lake County Youth Committee, which made the final selection.

The winners will be announced at a Coronation Dance, Saturday, February 28 from 8:00 - 11:00 p.m. at the Farm Bureau Auditorium on Rte. 45, 1/2 mile north of Rte. 120, Grayslake, Illinois.

The dance, which will be semi-formal is open to all 4-H members and their escorts, and 4-H leaders. Music will be provided by the "Mode", a six piece band which specializes in all types of music.

Admission to the dance will be \$1.00 for leaders, \$2.00 per member, or \$3.00 per couple.

All 4-H leaders and members are urged to attend this dance honoring our top 4-Hers who will represent and promote 4-H for 1970. This activity promises to be one of the highlights of the 4-H year.

## Five Townships Endorse Depke

Republican precinct committees from five townships have endorsed Lake County Chairman Robert Depke for Lake County Treasurer. Pledges of support in the March 17 primary have come from committeemen in Waukegan, Grant, Lake Villa, Zion, and Benton townships.

Additional pledges of support are indicated from committeemen in other Lake County Townships.

Waukegan GOP committeemen endorsed Depke at a campaign dinner attended by Mayor Robert Sabonjian, a number of Waukegan aldermen, and GOP County Chairman Robert Milton.

Sabonjian praised Depke's record as chairman of the Lake County Board of Supervisors for the past two years and pointed out the unprecedented cooperation between the county and municipal governments under Depke's leadership.

"Lake County has progressed because of such cooperation," Sabonjian said. "Without such cooperation this county would have become stagnant."

Grant and Lake Villa township committeemen endorsed Depke at an earlier campaign dinner. Supervisor Lloyd (Red) Murrie of Antioch served as master of ceremonies. Acting as hosts were Supervisors Harry Robin of Grant, Le Roy Fritz of Newport, Ronald Coles of Lake Villa, and Assistant Avon Township Supervisor Leslie (Bud) White.

Committeemen in Zion and Benton Townships had endorsed Depke previously.

In talks to committeemen of all townships Depke pointed out that his two years as chairman of the Lake County Board of Supervisors have demonstrated his ad-

ministrative ability to handle a major county office.

"I am a young public servant who plans to continue serving the public for a good, long time. I intend to continue working for the Republican party and all people of Lake County for many years," he said.

## Con-Con Hearings Are Set

"We are going to the people" was the decision of the Illinois Constitutional Convention. This is a historic decision of first instance and one designed to give the people an opportunity to express their views to the Delegates to the Constitutional Convention without the inconvenience of traveling to Springfield.

Two hearings will be held in Waukegan, on Wednesday, Feb. 11. Arrangements were worked out by the Delegates from the 31st and 32nd Districts with the assistance of Mayor Robert Sabonjian and the Waukegan Township High School authorities at the West Campus. "The School has the facilities and the equipment for the public hearings," declared the Mayor, "and we are most pleased that Waukegan was selected as the site of two of these historic hearings."

Two substantive committees have been assigned to Waukegan to conduct the hearings. They are the Bill of Rights Committee and the Legislative Committee. (Continued on page six)

## No Strike For Police

In our time, a city without law enforcement protection or without vital public services is a city with a problem of disastrous proportions. Fortunately, such occurrences are as rare as they are extreme.

Under our system of government, most employees and workers have a lawful right to highlight their grievances through concerted action. Frequently, if through the processes of collective bargaining they do not reach agreement with their employers in line with their demands, they strike. Aside from the obvious effect on companies and employees involved, strikes usually cause a certain amount of public inconvenience; however, as a rule, the public safety is seldom seriously endangered.

Although the number of incidents are limited, experience shows and common sense dictates that not all occupations and professions—for example, law enforcement and firefighting services—can reasonably resort to work stoppages as a bargaining power. These services fill life-sustaining roles in all communities. Should they ever be interrupted or curtailed intentionally, regardless of the cause? I think not.

Law enforcement officers, in taking their oaths of office, accept a sacred public trust and assume obligations of seemingly unlimited bounds. They voluntarily choose a dimension of duty that few other undertakings can match in demands of loyalty and dedication. Actually, the safety and welfare of the community and the lives of its citizens are entrusted to policemen. This is no mean responsibility.

Over the years there have been few police strikes in our country, and some areas have been left with inadequate protection caused by widespread "sick leave" of police officers. However, law enforcement's record for meeting its around-the-clock obligations, often while facing gross injustices, is remarkable. Some months ago in neighboring Canada, we had an opportunity to see once again how quickly the forces of evil and crime can overrun a city when it is left defenseless by a police strike. It was not a comforting sight.

Perhaps it seems unfair to deny some members of society a right that is taken for granted by others. However, in connection with the police strike in Boston in 1919, the then Governor Calvin Coolidge stated, "There is no right to strike against the public safety by anybody, anytime, anywhere." No doubt, his truism is more appropriate today than it was 50 years ago. At any rate this concept has stood as a general guideline for law enforcement. In addition, many states and localities have laws specifically prohibiting strikes by members of law enforcement.

Issues which result in actions that leave cities without police protection are issues which a progressive, civilized society should be able to resolve before such a crisis develops. In the first place, community leaders and public spirited citizens who fully appreciate the value of effective law enforcement, should not permit matters pertaining to salaries, benefits, training, facilities, and equipment to deteriorate to a point where reasoning, understanding and mutual agreement fail. Secondly, law enforcement executives must lead the way in obtaining equitable and adequate working conditions for members of their departments. They must make certain that appropriate authorities are aware of legitimate complaints which, if left unresolved, could affect the quality of police service.

And finally, no matter how unfair or unjust conditions may be or may appear to be, those who voluntarily accept the sacred trust of enforcing the law and protecting the public should have serious misgivings about taking or supporting any action which leaves their communities unprotected. In considering what could be a betrayal of public faith, each officer must ask himself if the end really justifies the means.

## Letters to the Editor

Jan. 28, 1970  
3904 Ashford St.  
San Diego, Calif. 92111

Dear Editor and Home Town Friends,  
Writing to say how nice it is to read of all the great progress changes going on in Antioch. It is like being close to home to pick up the paper and read some happy news or sad news, or interesting facts about people or places we know.

Our address has changed since December and we are now home owners out here in our new area. The weather has been mild, wish we could send a few warm breezes your way—but wish you an early and lovely spring.

Morris is at home recuperating from surgery two weeks ago and will be taking it easy a bit longer.

Sending our best wishes to all we fondly remember back here in our home town of Antioch.

Our son, RD/2C Michael Verkest is now at home port here in San Diego on a new Patrol gunboat, the U.S.S. Welch. He is going on his 5th year in the Navy and really enjoys the travel and interesting ports.

May the New Year be one of great satisfaction and all good things ahead for Antioch and its town folks.

Sincerely,  
The Morris P. Verkest Family

## Payment By Credit Cards Not Welcome

The Internal Revenue Service announced that it has not entered into any arrangements with banks or other financial institutions for the payment of taxes by credit card or through any other credit means.

The IRS said it will not accept credit cards and that any credit arrangement for the payment of Federal taxes is strictly between the taxpayer and his bank or other credit company.

On the other hand, if a check or other document issued by a bank or credit company and used by a taxpayer in payment of taxes is acceptable by the Federal Reserve District concerned as a negotiable instrument for banking purposes, it will be accepted by the IRS.

The IRS said, however, that if a check or similar instrument is not honored by the bank on which it is drawn, the taxpayer may be subject to penalties.

The tax laws provide a penalty of one percent of the amount of any dishonored check and a minimum penalty of \$5. This is in addition to other penalties and interest for non-payment of taxes.

The VA's program to provide on-the-spot orientation and counseling to combat troops in Vietnam reached the one million mark in November.

## Boyd Named To Head R.C. Drive

Alan S. Boyd, president of Illinois Central Railroad, has been named chairman of the Red Cross March fund drive for the six-county area of the Mid-America Chapter.

The appointment was made by Harold F. Grumhaus, Red Cross chapter chairman, who also an-

nounced the goal of the local drive as \$612,000.

"We are pleased that Mr. Boyd will give his time and talent to organizing a group of volunteer solicitors and giving direction to this important campaign," Grumhaus said.

Boyd, 47, was the nation's first Secretary of Transportation, appointed by President Johnson when the office was created. He had also served as chairman of the Civil Aeronautics Board under President Eisenhower, and he has been Illinois Central president since April 1969.

"Locally and nationally, Red Cross needs additional funds this spring because Red Cross has been doing its job," Boyd said. "Our expected income from the Metropolitan Crusade of Mercy and other combined fund drives leaves our chapter \$612,000 short of its minimum needs for the year, and this is our goal in the March campaign."

Boyd will direct the activities of "the one hundred"—a group of business and community leaders who have agreed to donate their time to serve as solicitors in the business and industry section of the Red Cross drive.

"Our chapter gave disaster assistance to the victims of 953 local disasters—mostly home and apartment house fires—in the last year," Boyd said. "In this activity alone, the community's need and Red Cross service increases

## G. L. School To Hold PTA Meeting

On February 13, 1970 Grass Lake School will hold a parent-teacher conference day. The students will not be in attendance and parents are invited to call the school office so that a convenient time may be arranged. Conferences will begin at 8:30 and continue until 3:30 that afternoon. It is hoped that the child's progress and suggestions for further schooling will be discussed.

Superintendent William J. Hart also reminds parents that there will be no school for students on February 12th, Lincoln's birthday and Feb. 19th, the day of Parent-Conference.

has increased as much as 20 percent a year in the recent past."

Boyd and Grumhaus also pointed out the continuing high cost of Red Cross services to men and women in the armed forces and their families, and the tremendous expense of providing relief and assistance to victims of Hurricane Camille, as other examples of Red Cross fund needs.

## Winter Concert Planned

The Salem Central High School Concert Band and the Stage Band will present a Winter Concert on Wednesday evening, Feb. 4, at 8 p.m. in the high school gym.

The emphasis will be on contemporary music, both symphonic and jazz. Edward Stevens, director, promises a varied and interesting program.

On the stage five members who participated in the All State Band at the University of Wisconsin-Milwaukee on Saturday, Jan. 31, will perform with the bands.

They are Lenae Karow and Peg Turner, Flute; Janet Roberson, French horn; Lisa Lister, bassoon and Rilla Haugen, baritone saxophone.

John Paynter, director of band organizations at Northwestern University will be the guest conductor.

Admission to the winter concert at the high school is free. Friends and parents are invited to see what has been accomplished this year.

## Hayes Named Project Director

John E. Hayes, 445 Ash St., Waukegan, has been appointed project director for the Lake County Law Enforcement Assistance Planning Committee.

A life-long resident of the Waukegan-North Chicago area, Hayes is a retired Chicago Tribune reporter who covered Lake County for over 30 years.

Committee chairman, Associate Judge Harry D. Strouse, Jr., said the immediate mission is to prepare a comprehensive law enforcement plan for the county which must be submitted to the State by September 1.

"Before such a plan can be developed we must conduct a thorough survey of the various police departments," Strouse said. "In order to obtain this vital information we have also hired a management consulting service to assist Mr. Hayes."

Funding of the project is provided by the State through the federal Omnibus Crime Control and Safe Streets Act. And once the comprehensive plan has been developed and approved, the committee will assist local police departments in obtaining federal monies to meet their specific needs. This might range from facilities and equipment to manpower.

Judge Strouse said guidelines published by the State agency last fall point out eight specific areas of concern. These include investigation and detection of crime, intergovernmental activities, juvenile delinquency, court procedures, corrections and crime prevention.

In the weeks ahead, Hayes will be contacting local chiefs of police to learn about their special problems and needs.

## Grass Lake Cub Scouts Hold Meeting

The Grass Lake Cub Scout pack 80 held its monthly meeting Jan. 22 and a rocket race was featured.

New Bobcat Ronald Pedersen was welcomed into the pack and placed in Webelos Den 1.

Three Webelos received Arrow of Light to advance Boy Scouts. They are Tim Trayer, Scott Novak and Fred Malecki. They were welcomed by Scoutmaster Lee Ipsen into Troop 80.

Webelos awards were presented to Brian Tarkowski, Al Roth and Chris Ament. Denner bars were given to Al Roth, Danny Reband, and assistant denner awards to Chris Ament and Sean Mullins.

Other awards presented were Robbie Reband, Bear badge and one gold arrow; Bobby Pennell, one gold arrow under bear; awards under Wolf were Charles Schreiber, one gold arrow and three silver arrows; Danny Reband, one gold arrow and three silver; Sean Mullins, one gold arrow and one silver; Kevin Walsh one gold arrow.

Silver arrows under Wolf were awarded to Danny Vaughn, Jimmy Pennell, Mickey Dittzi.

Following the meeting the rocket race was held with Sean Mullins coming out on top. Second was Tim Trayer and third place went to Kevin Walsh.

The bob sled outing was postponed until Feb. 1 at 2 p.m. If weather permits and the Blue and Gold dinner will be held at Grass Lake School at 1 p.m. on Feb. 22. A pine wood derby will be a feature of that gathering.

## Last Week To View Comedy Hit

This is the last weekend for area theatergoers to see PM&L's smash comedy hit "Any Wednesday" at the Antioch Country Club Playhouse.

Carol Brandy from Waukegan, Dr. Al Bucar from Antioch, Duane Wolff from Zion, Pat Baum from Lake Villa, and Betty Waite from Antioch can be seen starring in this situation comedy directed by Ken Smouse. Reservations can be made for Friday or Saturday, Feb. 6 or 7, by calling 395-3000. Dinner hour is 6:30 p.m. Curtain time is 8:30 p.m.

Next week the dramatic comedy "Fan Fare!" will begin and will run for three weekends, Feb. 13, 14, 20, 21, 27 and 28. Gloria Davis will direct this variety extravaganza of music, comedy, dancing, and a bit of drama.

Some of the people featured will be Florence Babussek, Sidney George, Barbara Fleisher, Rich Irmen, Ken Smouse, Bill Serelson, Rich Hughes, Dee D'Isa, Mary Beth Bentel, Fred Hobart, Trumann Garrett, and Don Beveroth, Nancy Eberman, Ricky Apostol and Betty Smouse.

## Diplomas To Clunie, Hewlett

Howard Hewlett and Chuck Clunie, the new Standard Oil dealers at Routes 83 and 132 in Lake Villa, have received diplomas from the oil industry's most comprehensive course in service station operation.

A two-week course, it is conducted at a specially-equipped training center operated by the Standard Oil Division of American Oil Company in LaGrange.

Entering the course January 5, both were schooled in all phases of service station operation and care of customers' automobiles. Especially stressed were maintenance of a clean, attractive station; management of money, manpower and materials and knowledge of Standard's broad line of quality products.

Both partners are experienced in the service station business. Hewlett and his wife, Mary, reside at 1804 Academy Drive, Lake Villa. While Clunie, his wife Barbara, and their three children make their home at 10 North Route 59, Lake Villa.

## Lystila Completes Course

Ernest Lystila, of Lake Villa, a 22-year employee of the Antioch Lumber and Coal Co., has completed the programmed learning course entitled "Construction, Estimating and Blueprint Reading" at the National Building Material Dealers Service Corp. in Washington, D.C.

Lystila scored 1228½ points out of a possible 1349 point count. He made a perfect score on three quizzes.

The certificate reads in part: "In testimony of outstanding achievement and knowledge of Foundation and Flooring, Wall Frames, Ceiling, Roof and Stair Construction, Exterior Finishing, Residential Blue Print Readings, Material Take Off, Post and Beam Construction and High Rise Construction."

## Oakland PTA To Meet Feb. 9

The Oakland P.T.A. will hold its February meeting on Monday, Feb. 9 at 8:00 p.m. in the Oakland School Gymnasium.

The feature of this meeting will be a "Buzz Session." We will divide into groups to discuss pertinent questions concerning our school.

After the meeting refreshments will be served. All parents, teachers and friends are cordially invited to attend.

## High School Program To Be Offered

The College of Lake County will offer a high school equivalency (GED) preparation program as part of its community service program for the Spring term, 1970. The GED course is designed for adults (must be 19 years of age at the time that the test is taken) who have not completed high school.

The course serves as a preparation and review for those wishing to take the General Educational Development (GED) test in order to earn their high school diploma. The high school equivalency certificate is issued by the County Superintendent upon passing the GED test.

The GED Preparation Program is scheduled at the College campus on Tuesday evenings from 7:15 to 10:00 p.m. or on Saturday mornings from 9:15 to 12:00 noon. The fee for resident students is \$21, plus the usual registration fee. The course runs for 16 weeks.

For additional information, students are advised to contact the Office of Admissions, College of Lake County, 19351 W. Washington Street, Grayslake, Illinois 60030, phone 223-8193.

## Therapy Center Adds To Staff

Miss Diane Wilson-Porteous and Mrs. Karen Bunker have been added to the staff of the Easter Seal Therapy Center at 1103 Greenwood Ave. Waukegan.

Miss Wilson-Porteous, a Speech Therapist, is a Lake County resident whose home is in Highland Park. Diane received her education at Northern Illinois University at DeKalb, majoring in Speech Pathology and Audiology. She is a member of Sigma Alpha Epsilon, a professional speech and hearing fraternity.

Mrs. Bunker, also a Speech Therapist, comes to Waukegan from Great Falls, Montana. She received her degree at University of Montana, Missoula, Montana, in Speech Pathology and Audiology. Mrs. Bunker and her husband are living in Waukegan.

The Easter Seal Therapy Center provides speech therapy for all of Lake County. Mrs. Myrtle Cunningham, Executive Director, says the Center is looking for an additional Physical Therapist. There is a critical shortage of Registered Physical Therapists in Lake County. Any qualified Therapist able to work on full or part time basis is urged to call Mrs. Cunningham at the Therapy Center, 662-2112.

## Scholarships Being Offered

"How am I going to finance the coming year at college?"

That is not an easy question to answer sometimes, but here is welcome news for any young man or woman interested in studying agricultural communications at the University of Illinois this fall.

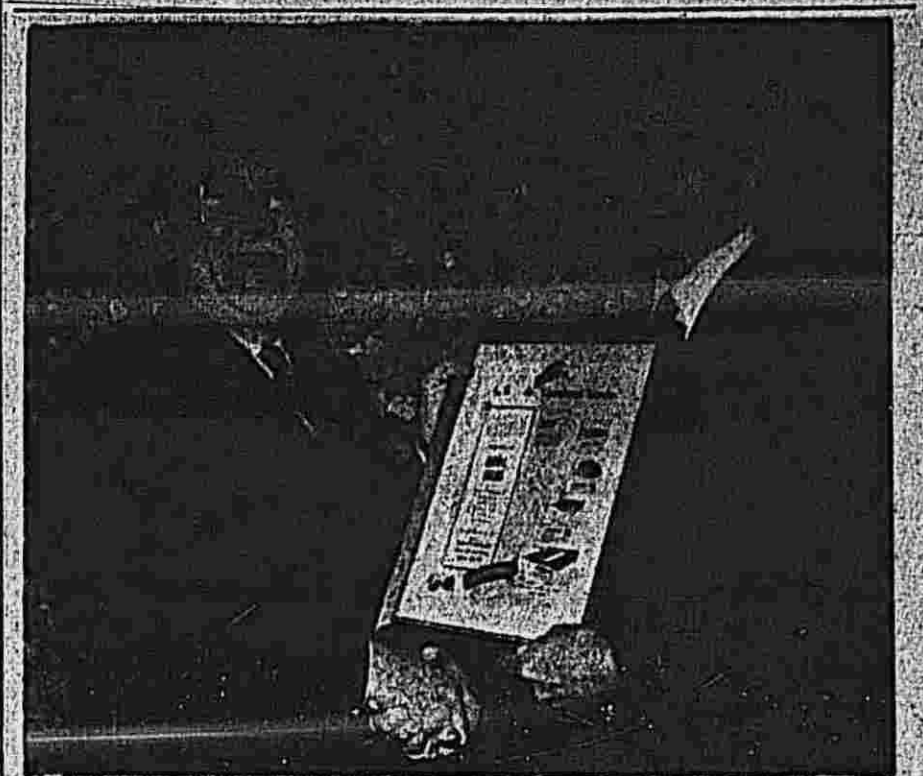

The agricultural communications industry offers several \$300 scholarships for 1970-71. The scholarships are for students who will enter the University's College of Agriculture in September as freshmen or as transfer students, and who will major in agricultural communications.

The curriculum prepares graduates for work in fields such as agricultural writing and editing, radio and television broadcasting, agricultural public relations, photography and agricultural advertising.

If you now of someone who is interested, encourage him or her to apply soon. For further information contact: Agricultural Communications Scholarships, 330 Mumford Hall, University of Illinois, Urbana, Illinois 61801, or call the Lake County Assistant Extension Adviser, Dennis Hertz at 223-5844.

Completed applications are due by April 1.

Sign in door of tax office reads: "Watch Your Step," as you enter. The other side, seen when leaving reads: "Watch Your Language."

Frank C. Jacob, president of C-H Studio, Chicago, toastmaster for the affair, presents Alvin L. Melka, general manager of Gander Mountain, Inc., a plaque marking the 10th anniversary of the firm. The plaque read "to Alvin L. Melka, general manager whose quiet ability and devoted effort made possible the progress of Gander Mountain, Inc."

## Social Notes

By Del Jahneke

A "surprise" baby shower was given for Mrs. Edward Jahneke, Jr., Antioch, at her home on an. 29th. Some dozen ladies and Mrs. Robert Dunlap, Jr., as hostess, changed what was originally scheduled as a two-some "visit", to a party. The recipient of many attractive and useful gifts, young Edward III, born Jan. 20, didn't show too much enthusiasm, but his mother was delighted!

The Harold Newyear family of Waukegan were Saturday evening guests at the Ray Rathmann home in Oakwood Knolls. Mrs. Newyear and Mrs. Rathmann have been friends since high school days.

Playing pinochle provided a pleasant pastime when the senior Ed Jahneke's, Beach Grove, were entertained by the Elmer Knoll's of Gurnee on Saturday, Jan. 31.

The Michael Becker family of Grand Rapids, Mich., were weekend company at the Robert Dunlap home in Grass Lake. Mr. Becker attends a theological seminary at Grand Rapids. The Beckers have a wide circle of friends in the Antioch area.

## Legion Auxiliary

By Del Jahneke

The Antioch American Legion Auxiliary No. 748 will hold its combination "Birthday Party" and Golden Anniversary (as a national organization) on Monday, Feb. 9, at 6:30 p.m., at the Antioch American Legion Home. Auxiliary members' husbands, the Antioch American Legion Post and their wives, are all invited guests to this pot-luck supper party.

The hostess chairman is Mrs. Ray Rathmann, with Mrs. Doris Caples, Mrs. Burt Anderson, Mrs. Ralph Fields, Mrs. Ollie Tweed, Mrs. Estelle Gatch, Mrs. Hjordia Bremer, Mrs. Ernest Glenn, Mrs. Betty Mortensen, Mrs. Elsie Hays, Mrs. William Chase and Mrs. Thomas Chase as committee members.

Mrs. Walter Hills, Americanism Chairman, has announced that the Antioch Community High School, and all the local grade schools (Antioch Consolidated Grade School, Oakland School, Emmons School, Grass Lake School and St. Peter's Catholic Grade School have all been contacted regarding the annual American Legion Auxiliary's Americanism essay contest. "WHAT'S RIGHT WITH AMERICA?" will be the subject matter of this essay. Essays must reach Mrs. Hills by February 18th. The winning essay in each of the three classes is then forwarded to the 10th District Americanism Chairman by February 28th. District winners go into Division competition, and then, finally, state competition.

"February is known as Americanism month, since the birthdays of both Lincoln and George Washington are celebrated by all school children, as well as local, state and federal government agencies" states Mrs. Hills. The American Legion and the Auxiliary stress the importance of perpetuating the American ideals and upholding the principles of American democracy. The basic principles of Americanism are Freedom of Worship; Freedom of Speech and Press; Freedom of Assembly; Freedom of Work and to enjoy the fruits of our work; and the Pursuit of Happiness. It is upon these basic tenets that our form of government was established. These beliefs are always in the forefront of the American Legion and the American Legion Auxiliary.

All citizens are strongly urged to display their flag on patriotic holidays. Be proud of America and Show It! Wear an American flag pin, or flag lapel button each and every day urges Mrs. Hills.

## Cotillion Plans Finalized

Final plans for Cotillion '70 were announced by Mrs. Robert Lubkeman, chairman, at the January 26 meeting of the Antioch Mental Health Auxiliary.

The fifth annual Cotillion will be held at the Antioch Country Club on April 18, 1970.

The outset of the gala affair will be a cocktail party and pre-dinner entertainment sponsored by the First National Bank of Antioch, starting at 6:00 p.m. Hors d'oeuvres will be served at the cocktail party. At 8:30 p.m., a full course dinner with wine will be served. Music for dancing will be by the Fred Fischer Orchestra. They will be playing through the courtesy of the State Bank of Antioch.

Tickets will be available from Mrs. Max Jester, ticket chairman, 395-4104, and from other Auxiliary members. As the number of tickets is limited, please purchase them early to avoid disappointment. The price is \$10 per person.

Proceeds from the Cotillion will be used to provide mental health care for people in the this area. The Auxiliary donates money to the Lake County Mental Health Society and other charitable organizations whose work is in the area of mental health and retardation.

Since its inception in the spring of 1967, the Antioch Mental Health Auxiliary has donated over \$20,000 to the Lake County Health Society. This money is obtained from the sale of used items in the Thrift Shop and from the proceeds of the annual Cotillion.

The Auxiliary members voted to present \$4,000 to the Lake County Mental Health Society on January 29 at the Society's annual meeting in Waukegan.

The Thrift Shop is in need of good, usable merchandise. They accept clothing, small articles of furniture, knick knacks, china, household items, etc. The Thrift Shop is open on Thursday, Friday, and Saturday from 10:00 a.m. to 5:00 p.m. Donations to the Thrift Shop are tax deductible.

Anyone interested in joining the Auxiliary or working in the Thrift Shop may contact the Thrift Shop; Mrs. Edmund Vos, 395-0305 or Mrs. Dan Maras, 395-1177.

## Church Plans Lent Services

The United Methodist Churches in Genoa City and Wilmet, Wis., both pastored by Rev. Vincent Sammartino have planned a series of Lent services featuring singing groups, beginning on Ash Wednesday, Feb. 11. The services will be held each Wednesday throughout Lent. They will be held alternately at each church.

On Feb. 11th, at Genoa City Methodist Church, the Folk Singers from the Holy Name Parish will be the guest singers.

On Feb. 18, at the Wilmet United Methodist Church, the Trinity Seminary from Dearborn, Ill., will be featured.

On Feb. 25, at the Genoa City United Methodist Church, the Senior Choir from the Wilmet United Methodist Church will present special music. On March 4th, at the Wilmet United Methodist Church, the Revelators Quartet from Milwaukee will present special musical numbers.

Remember that each service begins promptly at 7:30 p.m. Pastor Sammartino gives a cordial invitation to the public to attend.

## For Ladies' Only...

(By Sally)

As I've mentioned before, there wasn't really too much excitement in Edgewood, Ill., the village of my birth, during my early childhood days in that community. . . . However, there were rare occasions when the constantly tranquil atmosphere would suddenly change—and one event guaranteed to create a stir was the distant tinkling of a bell. . . . It meant only one thing: the huckster wagon was headed our way. . . . And, as soon as the sound became more pronounced, women were seen to gather in little groups and the kids—with me well in the lead—would gallop down the dusty road in the direction of the exciting sound.

Naturally, those who remember—as I do—the thrill of such a moment certainly need no explanation for the look of anticipation on the face of the housewives—and the cloud of dust left in the wake of small, bare feet,

was completely understandable. . . . However, could be, you have not the faintest notion of what it meant. . . . And, operating on that theory, I'd like to tell you why those occasions were every bit as thrilling as Christmas Eve.

The huckster wagon meant many things to many people. . . . To the blushing maiden who recently ceased to braid her hair and wore it in a bun—and also modestly lengthened her skirts to touch her shoe tops, there was the hope that the driver of that wagon would have an ample supply of sweet-smelling toiletries and, perhaps, a variety of taffeta ribbon from which she could purchase a new sash for a muslin dress. . . . To a homemaker, the wagon represented the opportunity to buy a new teakettle to replace the old one which had sprung a leak and fouled up the early morning supply of hot water. . . . For the men, there

## CHRISTIAN SCIENCE CHURCHES

"Would God that all the Lord's people were prophets, and that the Lord would put his spirit upon them!" These words of Moses in Numbers are part of the Lesson-Sermon titled "Spirit." The lesson will be read this Sunday in Christian Science churches.

At First Church of Christ, Scientist, Beacon Hill, Rte. 173 and Harden, Antioch, Illinois, services begin at 11 a.m. Everyone is welcome.

A passage from "Science and Health with Key to the Scriptures," by Mary Baker Eddy in the lesson is: "Anciently those apostles who were Jesus' students, as well as Paul who was not one of his students, healed the sick and reformed the sinner by their religion. Hence the mistake which allows words, rather than works, to follow such examples!" (p. 343)

## Fashion Show Being Planned

The Parents Club of Emmons School will have a benefit dinner and Fashion Show on Thursday, March 5 at the Antioch Country Club.

The dinner will be at 6:30 p.m. followed by Fashions Gody Girls of Wilmet, Wis., and Stanley's Men Fashions of Antioch. Mrs. Charles Vesley is chairman.

Models include John Romer, Harry Lindgren, Mrs. James Kramer, Mrs. Dan Maras, Mrs. John Kakack, Mrs. George Hall and Mrs. W. C. Petty, Dee D'Sa, Lynn Hall and Linda Lagerstrom. Tickets are available from any member of the club.

# Can you heat a castle for \$200 a year with electricity?

## If it's the six-room kind you can.

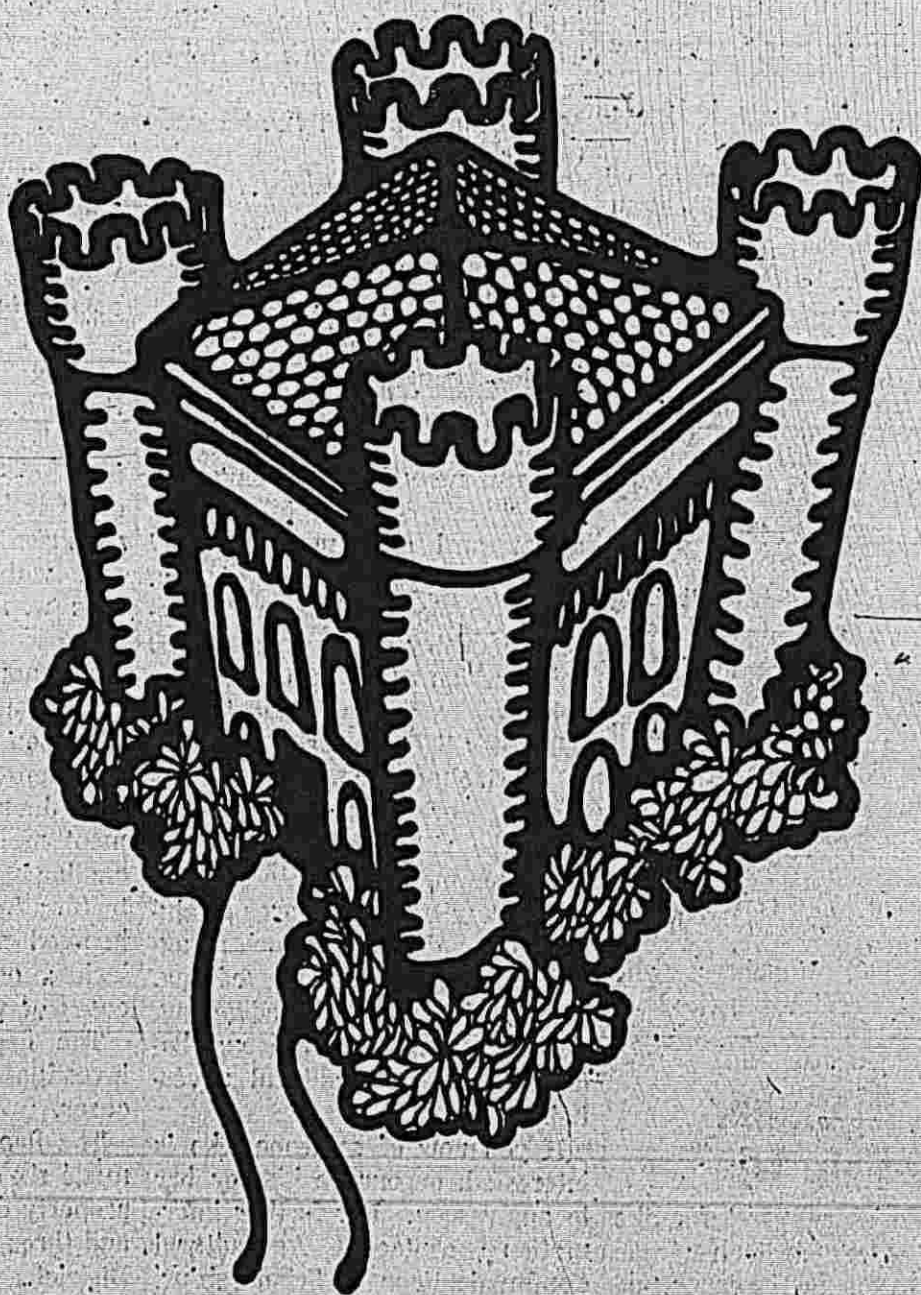

According to the old saying, that's exactly what a man's home is—his castle. And if your castle happens to be the kind most people buy, namely, the six-room size, there are some things you ought to know about electric heat.

First of all, you should know that Commonwealth Edison has dramatically reduced electric heat rates over the past ten years. What's that mean? Simply that you should expect to pay less than \$200 a year to heat an average six-room house with proper insulation.

Then, you should know there's a definite trend to electric heat. Example: Over 25,000 families in Northern Illinois are heating electrically, and more than 5,000 new families are joining them every year. That many people feel the price is small compared to the many benefits of modern electric heat.

No matter what size castle you have.

# Antioch Bombs Lake Zurich

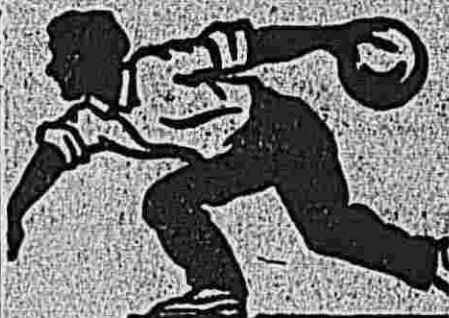

A very strong second half, paced the Antioch Sequoia to a strong 80 to 65 victory over Lake Zurich last Friday evening.

The game was high-lighted by the mature, calm and smart play of the Sequoia. Even though the cagers were down by 12 points during second quarter and still down by 9 at half-time, the boys kept their cool to finish with some brilliant basketball.

During the first quarter, the Sequoia jumped out to a 7 to 4 lead, but at this point Lake Zurich took charge of the game. Hitting 9 of 15 attempts from the field, the Bears of Lake Zurich took a 20 to 13 lead by the end of the quarter. Grever and Block were the scoring punch for the Bears. As hot as Lake Zurich was, the Sequoia were cold, hitting only 4 of 17 attempts.

Continuing to hit well from the field, plus drawing a few fouls, the Bears finally opened up their largest lead of the game, 12 points. The Sequoia were getting some good shots, but the ball just wouldn't drop for them. The Sequoia not to be completely outplayed rallied slightly near the end of the quarter to cut the lead to 9 points at half-time—36 to 27.

In the third quarter, the Sequoia, lead by the "hot" shooting of Marty Romaine, started to move with great determination. Romaine was cold the first half, hitting only 2 of 11 attempts, but in the third quarter he found the range, hitting for 8 baskets in 8 attempts. With this torrid shoot-

Early in the fourth quarter, the Sequoia finally tied the game at 52 all. At this point the game was all Antioch, with the fast break working beautifully, the boards being controlled by the Sequoia and Lake Zurich unable to break through the Antioch defense, the Sequoia rolled to an impressive 15 point victory.

Keith Bolton helped lead the assault in the fourth quarter with some fine offensive rebounding and Jeff Sterbenz did a great job in controlling the boards on his side, plus containing the strong offensive punch of Lake Zurich's Mr. LeVoy. LeVoy had been averaging over 20 points the last 6 games, but against the Sequoia he managed only 11 points.

The Bears' other top scorer did hit for 15 points, but this was far below Ford's average, too.

Steve Bentel hit the double figures again and contributed strongly to the board work, much needed by the Sequoia. Tom Martin had his usual strong defensive game, but also added some fine offensive passing, as he picked up several assists during the game.

Top rebounders for the Sequoia were Bolton with 16, Sterbenz with 8 and Bentel with 6. Bentel also was the top assist man. Game scoring honors went to Romaine with 29 points, followed by Bolton with 20 and Sterbenz with 18.

# Save Your Fish

Due to the persistence of snow cover this past month, many of our local ponds and lakes are in danger of losing their fish-population through winter-kill.

Gregg Tichacek, Fisheries Biologist with the Illinois Dept. of Conservation urged local pond owners to clear snow from the ponds so that sunlight can penetrate through the ice.

This should be done whenever the snow cover is more than 2" deep and lasts more than two weeks, regardless of the depth of the pond. If the entire pond cannot be cleaned, strips about two-shovel widths should be cleared at spacings of no more than 20 feet apart.

What little thaw we have had so far this year has not been sufficient to recharge the oxygen in the pond which is necessary for survival of the fish.

A week-long enduring thaw is needed for this recharge. Information on winter - kill of fish, aquatic weed control, and other items of pond management can be obtained from Tichacek at the Conservation Dinner to be held on Saturday, Feb. 7, at the Farm Bureau, Rtes. 45 and 120 in Grayslake, at 6:30 p.m.

Donations for the dinner, which consists of Roast Beef, ham and turkey, are \$4.00 and reservations may be obtained from the Soil Conservation Service Office at 71 South Old Rand Road in Lake Zurich. Phone: 438-6319.

Technicians from the Soil Conservation Service, the Division of Forestry and the Natural Resources Service Center will be on hand for consultation, and Floyd Swink of the Morton Arboretum will speak on "Nature Areas Worth Saving."

There's good news for TV sports fans in the Chicago area from Harry Fitzhugh, executive secretary of the Illinois High School Association. He has announced that the state high school basketball championships will once again be televised live and in color on WGN-TV, channel 9 in Chicago.

The eight-team playoffs determine which of 760 IHSA schools will wear the state crown won last year by Proviso East of Maywood.

This year's tourney — the 63rd — will be held in the University of Illinois' 10,000-seat Assembly Hall in Champaign on Friday and Saturday, March 20 and 21. WGN-TV's coverage begins with two quarter-final games Friday evening at 7 p.m. Saturday's semi-final and final action will be aired at noon and 7 p.m.

Fitzhugh also announced that "Jack is back," referring to Jack Drees, nationally-known sports-caster. Drees worked the IHSA telecast for 15 of its first 16 years until schedule conflicts forced him to pass up the assignment in 1968 and 1969. But he returns this year for the 16th time.

Two other veteran IHSA telecasters will appear with Drees. They are Tom Kelly, back for his 11th Illinois high school basketball telecast, and Jim Bolen, returning to the IHSA microphone for the third time.

Sponsoring the telecast for the 19th consecutive year will be Illinois Bell Telephone Company. Western Electric, the Bell System's manufacturing and supply unit, will co-sponsor for the 5th straight year.

Other stations, carrying the Saturday games on the 11-station IHSA network are Champaign's WCIA (ch. 3), Danville's WICD (ch. 15), Decatur's WAND (ch. 17), Harrisburg's WSIL (ch. 3), Peoria's WMBD-TV (ch. 31), Quincy's WGEM-TV (ch. 10), Rockford's WCEB-TV (ch. 23), Rock Island's WHBF-TV (ch. 4), St. Louis' KPLR-TV (ch. 11) and Springfield's WICS (ch. 20).

Drivers are reminded that the safe driver is a courteous driver. The same consideration that keeps you from pushing people out of your way when walking on a sidewalk should prevail on the expressway, where you may even save a life.

THE ANTIOCH NEWS

## Lake Zurich Whip Sophs

The Antioch Sophs lost their second straight game to a fine Lake Zurich Sophomore team last Friday night 59-43. The visitors allowed the Sequoia only 8 field goals during the first three quarters of play in gaining their tenth league victory against one defeat.

The Sophs, led by Pat Michalak's 17 points, slipped to a 5-6 conference record. Rebounding and a tough Lake Zurich half-court zone press spoiled the difference last Friday's loss.

## Lake County Divers To Meet On Feb. 5

Lake County Divers, holder of the most active club award of the Illinois Council of Skin & Scuba Divers, will meet Thursday, Feb. 5, at Lake Villa Savings and Loan, at 8 p.m.

Nonmembers, and non-divers who are interested in the underwater world and sport diving are urged to attend. Club President Howard Webb reports. The club includes certified diving instructors among its members, has arranged first-aid training for members, and offers lectures and movies to interested groups.

Lake Zurich Savings & Loan, where meetings are held on the first Thursday of each month, is located at the junction of Highway 132 (Grand Avenue) and Highway 83.

Auto Show Will Give New Outlook

If you're bogged down, mentally that is, by the snow-clogged streets and cold temperatures, you need a springy shot-in-the-arm.

And, the place to get it is at the Annual Chicago Automobile Show which opens a nine-day stand in the International Amphitheatre on Saturday, Feb. 21. A look at the new models, in all more than 500 including at least one of every American made car line and cars representing leading overseas manufacturers, is sure to lift your spirits.

Spring is actually in the air induced by the array of bright-colored, highly polished vehicles. You are a cinch to get into a bright mood, thinking about those warm weekends when you can roll out to the countryside to your favorite recreation spot.

This is the time of year when the manufacturers, knowing that the motorists are beginning to think of vacations and road trips, roll out their finest in station wagons, convertibles, sport coupes, campers and other vehicles. Every exhibit area will be tuned to spring and summer action. It's the hit-the-road season, and even if you have no immediate plans to purchase a new car, you'll find an afternoon or evening at the show most invigorating.

Besides the cars, many auto-related exhibits and many special displays will round out a variety of activity, which as in the past, will stamp the Chicago Show as the outstanding and most complete exposition to be staged in America this year. Show hours are from 11 a.m. to 11 p.m. every day. Admission is \$1.50 for adults and 75 cents for children 12 and under.

Oil Paintings On Display Feb. 20

The College of Lake County will have on display eight original oil paintings of Charles McGarren depicting battle actions in which the United States Army First Division participated from the Revolutionary War to World War II. The display will be held at the College library through February 20, 1970.

The CLC library (Building 2) is located at the College campus at 19351 W. Washington Street in Grayslake. The display is furnished by the Public Service Office of the Chicago Tribune. There is no admission fee and the public is invited.

## 8th Graders Win 55-40

After their only defeat of the season a week ago Sunday, the 8th Grade team of St. Peter's came back strong and beat St. Francis of Lake Zurich this past week Feb. 1.

Tim O'Neill was again the high scorer, with 17 points. The next two high scorers were Mike Gutowski with 10 points, and Tom Warner with 9.

St. Francis 9 15-27 40 St. Peter's 9 28-41 55

The 7th graders almost pulled their game out. After trailing through most of the game, they came within two points in the closing minutes of the game. But, so the story goes, they just couldn't hang on. The final score was 27-23 in favor of St. Francis.

High scorer was Kevin Walpole with 11 points, and Gary Klean with 8 points was second.

The 6th Grade team also lost to the St. Francis team, 30-18. Joe Cermak was high scorer with 6 points and Tom Gutowski was next with 5 points.

The boys will all be looking for a win next Sunday when they face Prince of Peace teams from Lake Villa. The game starts at 1 p.m. at the Lake Villa Grade School.

# Waters Elected President

Richard Waters, Channel Lake, was once again elected president of the Northern Illinois Conservation Club at their annual meeting last Wednesday evening, at the club house.

Harry Stern was voted in as executive vice president, along with William E. Brook, vice president; Nancy Marquardt, Round Lake, secretary; Jeannette Gehrig, North Chicago, assistant secretary; and Edith Andreas, Indian Point, treasurer.

A proposal to raise the annual dues to \$12, up from \$3, and the initiation fee to \$18 from \$2 was overwhelmingly defeated.

In an interview after the meeting, Waters said, "There is no need to increase the dues at this time since the NICC raises the necessary funds with which to operate the club through the ice fishing derby and the trap shoots."

As a matter of fact, he favors a reduction in the dues schedule by eliminating the initiation fee, Waters said. The purpose of the annual dues is to cover the cost of mailing notices to members, and such, and the present fee does this adequately, he added.

"We want to make it easy for everyone to join our organization and aid in the conservation battle; higher dues will only tend to discourage this," Waters said.

The February meeting will be held at the club house on Wednesday, 25th, at 8 p.m. The public is invited to attend.

## Con-Gon Hearings...

(Continued from page one)

The former will convene in the High School Auditorium at the same time the latter is in the High School's Little Theatre. The hearings will begin at 2:00 p.m. and go through 5:00 p.m., recess, and then reconvene that same evening at 7:00 p.m. and adjourn at 10:00 p.m.

Individuals as well as representatives or organizations from the entire northern part of the State are being urged to attend the February 11th hearings, in Waukegan. The delegates emphasize the fact that any citizen or any representative of any organization may testify at the hearings on any and all subjects concerning the revision of the Illinois Constitution. Testimony is not limited to matters concerning the legislature or the bill of rights.

The only delegate from the 31st and 32nd Senatorial Districts who will be at the hearings in Waukegan is Mrs. Mary A. Pappas of Lake Bluff who is a member of the Legislative Committee. The other Lake and McHenry county delegates will be meeting in other locations throughout the State with their respective committees. The extent of citizen participation will be an important factor in assessing the success or failure of these hearings and determining whether or not there will be any future hearings outside of Springfield.

The Waukegan Township High School, West Campus, is located at 2325 Brookside Avenue, on the west side of Waukegan, just east of Green Bay Road.

## Scout News

Mrs. Richard A. Hill

Den 5 opened the January Pack meeting for Cub Scout Pack 102 with the presentation of the flags. Den 8 presented a skit. Awards were presented to the Cubs earning them by Cubmaster Ray Gallagher. Robert Neuman was inducted into the pack.

Robert Kelly received his Wolf badge and gold arrow. Dick Lemke received a gold arrow. Larry Havemann a silver arrow and Thomas Koenig 2 silver arrows.

Nickey Blaine received his Denner badge and Adolph Kirby received an Assistant Denner badge.

A year pin was awarded to Michael Haviland.

Webelos pins were awarded as follows: Frank Bessette—Athlete, Paul Strahan—Athlete, Kurt Plechaty—Sportsman, and Paul Mapleshorpe—Athlete, Scholar, Sportsman and Traveler.

Ray Kirby received his Webelos ribbon.

An impressive ceremony marked the graduation of Frank Bessette and Mark Haley from Cubs to Boy Scouts. Each received the Arrow of Light. Frank was accepted into Boy Scout Troop 91 and Mark went into Troop 92.

Following the presentation of awards, Mr. Lucas showed an outdoor film which was enjoyed by all. Hospital favors for January were made by Den 9. Den 5 hosted an ice skating party in January. Den 8 won the attendance pennant. Den 5 retrieved the flags and refreshments were served following the meeting.

The committee meeting will be held February 9 at the Antioch Scout house. The Blue and Gold Banquet will be held at 4:00 p.m. Sunday, February 22 at the Oakland Grade School.

dent Ernest W. Mintern said,

"We are pleased with the assistance made available through the open space program. This grant will help us extend our holdings and expand our land acquisition efforts in Lake County."

The subcommittee on treatment services of the Lake County Health Services Planning Committee made a preliminary report at a meeting Thursday, Jan. 29.

Chairman John Ward, M.D., said his subcommittee will collect information on what each of the medical institutions plan to do in the future regarding treatment and facilities in such areas as mental health, alcoholism, radiation, neurosurgery, etc. However, he pointed out there is a great question as to the committee's role in the private sector.

Members of the full committee heard presentation of two specific cases concerning the medically indigent and generally agreed some investigation should be made into the possibility of making recommendations on changes in the law covering persons who do not meet residency requirements for public assistance.

The next meeting of the health planning committee will be Wednesday, February 25th.

Lake County Veterinarian Robert J. Flynn, D. V. M. tested over 9,000 head of cattle, sheep, goats and swine during the past year for tuberculosis, brucellosis and scabies. The tests were among 17 programs conducted by the county vet during the fiscal period.

Investigations included 589 herds in the county covering: milk ring tests; mastitis control; scrapie eradication; dealer licensing; garbage feeders; quarantines; hog cholera eradication; meat inspections; interstate movement of animals; and dead animal removal.

Largest single program for the year was testing of 5,880 head of cattle for tuberculosis. Of these tests there were 26 reactors and two infected herds.

In the fiscal period ending November 30, 1969 Lake County General Hospital reported 627 admissions and 625 discharged patients.

Louis F. Kompare, M. D., superintendent and medical director, said there were 81 operations, 1,177 lab procedures, 1,140 X-Rays, 43 obstetrical cases delivered, 18 chronic disease unit patients, and 1,575 clinic cases.

The General Hospital is under the jurisdiction of the County Board of Supervisors. Eligible patients must be of indigent status, and can only be admitted through their township supervisor. The township is responsible for the per diem cost of the patient's hospitalization. In addition, a certain number are accepted from the Illinois Department of Public Aid and Veterans' Commission. These agencies assume the financial obligation for their patients.

Cost of maintenance and operation of the hospital totaled \$420,593. Receipts were listed at \$355,793.

## Art Show Sel...

(Continued from page one)

Building on the Lake County Fair Grounds, Tuesday and Wednesday, March 31 and April 1. It will be open to the public from 1:00 to 10:00 p.m. on March 31, and 9:00 a.m. to 9:00 p.m. on April 1.

Three separate exhibits, according to age groups will be held. Exhibits will be grouped and judged as follows: eighteen years of age and older, under eighteen or high school students, and those in grade school or below.

All entries will be judged by competent judges approved by the University of Illinois and selected by the Lake County Cooperative Extension Service Staff.

Artists may submit up to three different original paintings or other art items made during the past year. Paintings may be in oil, water colors; pencil, charcoal, pastels, ink or any media on paper, canvas, or flat surface. Ceramic pieces, metal enameling, wood carving, weaving and other handicraft items can be entered.

A complete list of rules can be obtained by writing the Lake County Extension Advisers, Ray T. Nicholas, P.O. Box 267, or Helen Volk, P.O. Box 356, Grayslake, Illinois 60030.

This show is sponsored by the Lake County Agricultural and Home Economics Cooperative Extension Service of the University of Illinois. Last year's show drew a total of 645 entries by more than 250 amateur artists.

Two Lake County Artists were recently honored at the State Town and Country Art Show. The two artists whose entries were among the 16 blue ribbon selections in the University of Illinois 14th Annual Town and Country State Art Exhibition are Miss Laura Clevon, Gurnee and Thomas Gourley, Zion.

For Ladies Only...

(Continued from page three)

were shaving supplies—including mugs for preparing the lather. And there were also plenty of razor straps for sale. (The only real blight on that shining hour, too, let me say—considering that those razor straps also played a stinging role in teaching children the true meaning of respect and obedience.)

\*\*\*

But, since nothing is ever perfect, those who knew in reason that they would have cause to know how unyielding such leather could be, put the matter of the heavy strap out of their minds—and gathered in to watch and listen as the lively bartering got under way.

\*\*\*

I'll never forget one August when half the kids in town either had a dress or shirt made from bright red calico with tiny horse shoes in all-over design. As I recall, the huckster had only three bolts of that material left after his slow drive through the country from Effingham—and he sang out the news that he would let it go at five yards for a quarter. . . . And that he did—in record time, too, let me say. . . . And when I entered the first grade a couple of weeks later, the assembly looked like a convention of identical twins.

\*\*\*

"But, it didn't really matter. . . . After all, there were also one-of-a-kind boys which were snatched up by the more snooty residents of the town—such as the time a perky hat with a bird on the front and a be-spangled veil was sold to the woman whose husband operated the blacksmith shop and was, therefore, considered a 'man of means'. . . . (Come to think of it, they also had a survey with little tassels all around the top and the very next Sunday—they drove up and down every street in town with their grandly nodding to common folks in an all-out effort to show off the fine headgear. . . . And, besides the hat, she wore a black taffeta dress made from material she also bought from the huckster.)

\*\*\*

So it was, there was fashionable triumph for a few. . . . more convenience for others. . . . And joy for all the kids when the distant bell rang out the glad tidings that all would soon be staring in wide-eyed wonder at the glittering array of things "from the world beyond". . . . After all, I can't remember meeting a huckster who was hard hearted. . . . Without exception each kid was presented with a large sucker on a long stick. . . . And, regarding those, experience taught us that the prolonged method of enjoying that sugary treat was, by far, the best—and the safest. . . . (A couple of kids were minus half a tooth because they tried to hastily eat the sucker.)

\*\*\*

The old huckster—and his wagon—have, of course, vanished forever from the American scene. . . . But, never from the minds of those who—like myself—remember, with nostalgia, the occasions I've tried to describe today.

Goodman said there were 190 students in various music classes studying piano, violin, viola, cello, bass, flute, oboe, clarinet, saxophone, bassoon, trumpet, French horn, drums and guitar and the Carl Orff Method of teaching music to children 4 to 7 years of age.

Some 90 students were enrolled in dance and 10 adults in the exercise through dance course, 25 students in the children's string orchestra and 60 in the art classes which include oils, media for children, ceramics for adults and children and life drawing.

Students in addition to the 380 were taking related courses in theory and music appreciation, understanding music for adults and musical composition.

Tuition at the school, located in Lilac Cottage, Bowen Park, Waukegan, is based upon the ability of students to pay. The school is financed through fund raising efforts, family and patron memberships, industrial gifts and tuition. The school has many special projects for the Lake County community including a current series of plays for children presented by outstanding Midwest theatre groups.

The school obtains the finest performing teachers in the Chicago metropolitan area with the idea that outstanding teachers can best develop student talent and make the arts a part of the everyday life of each student.

Goodman said people interested in enrolling in the fine arts classes should contact him at the school.

Seventeen members of the Antioch Rainbow Girls #23 met in Masonic Hall Feb. 1 and launched Project Vietnam into its 4th year when they packed Fruit Cakes, Candy and other items into gift boxes for Antioch's servicemen in Vietnam. The girls also included Valentines in the packages which they hope will be delivered by Feb. 14. The girls are no strangers to servicemen's projects having participated in similar undertakings many times in the past.

## Jeed Adjusting To Life In Antioch Area

A great many memorable things have happened to Prachya (Jeed) Rokchartcharon since he arrived from Thailand six months ago. Jeed has become a beloved member of the Marvin Toepper family, at 489 Winsor Drive, Antioch. Exchanging ideas and affections has been a marvelous experience for the Toeppers, as well as for Jeed.

In spite of a language barrier and many differences in customs and cultures between the United States and Thailand, this likeable Thai teenager has acclimated himself beautifully to everything from American slang and pizza to snow and sub-zero temperatures. Jeed has been like a veritable sponge—eagerly absorbing all he can learn in his year's stay in America, under the American Field Service Scholarship program. He has recorded his experiences and impressions in a

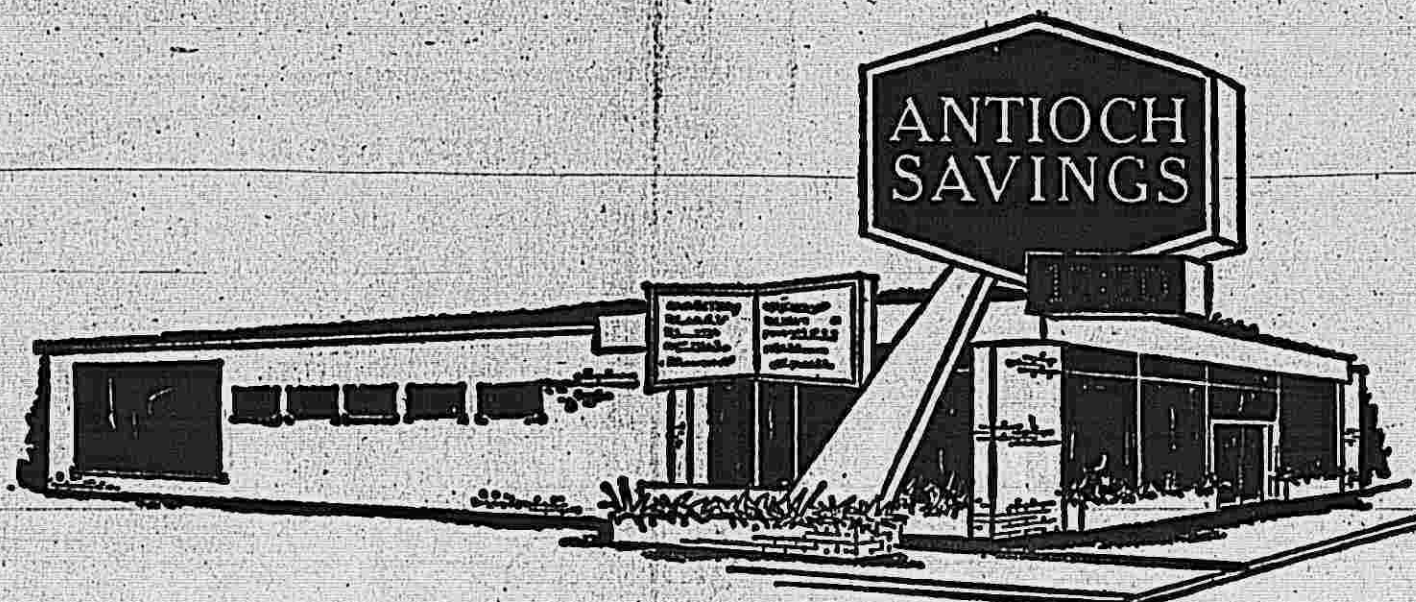

Jeed

daily diary, and has taken dozens of pictures to show to his family and friends when he returns to Thailand this summer. Jeed's friendly smile and warm enthusiasm for his new surroundings has endeared him to the Antioch community.

The handsome Thai is available for speaking engagements from February through April. Anyone who would like to see Jeed's slides and mementoes from Thailand and hear his impressions of Antioch and America, first hand, may arrange a speaking date by calling Shirley Jensen, 395-0530.
